## We have listened to your wishes – and can now fulfil them all

You expect us at Bosch to set standards with our products. This is exactly what we have done with the new angle grinders. Our tools achieve the best scores in performance, lifetime and carbon brush lifetime due to their innovative motors and carbon brushes. What's more, the new angle grinders will more than meet your expectations in terms of ease of use and work efficiency.

### **NEW! GWS 9-115 Professional**

The most durable tool in its class

- ▶ High-performance 900 W motor
- ▶ Longest lifetime and carbon brush lifetime in its class
- ▶ Extra-ergonomic design

### **NEW! GWS 15-125 CI Professional**

Maximum performance and a high level of user protection

- ▶ Powerful 1500-watt motor
- ▶ Longest lifetime and carbon brush lifetime in its class
- ▶ A high level of user protection due to KickBack Stop, restart protection, soft start and Vibration Control auxiliary handle

# Impressively long lifetime – tested by an independent testing institute

Our aim is to make sure you can rely on your Bosch angle grinder at all times. This is why we have had the longevity of our tools tested in intensive series of tests by the internationally respected and independent testing and certification institute “SLG Prüf- und Zertifizierungsinstitut”. The results reveal the outstanding quality of our new angle grinders.

**Bosch wins test in average lifetime and carbon brush lifetime.**  
**Ascertained by the independent testing and certification institute**  
**“SLG Prüf- und Zertifizierungsinstitut”. Compare them yourself.**
